

Membership Classification

Membership at Southern Cross Ski Club is to be known as a "Family Membership'

"Family Membership" comprises one Full Member - their spouse or partner, and children of all ages, or alternately one other nominated person approved by the Committee.

Family Memberships must be owned by one Full Member only, and as such only the Full Member has voting rights. The Full Member must nominate the names of their spouse or partner, and children of all ages, or alternately one other nominated person that comprise their Family Membership. Nominated persons may be changed with approval of the Committee

Family Membership responsibilities include prompt payment of subscription and fees and the right to submit their membership for sale/transfer. Family Membership may be transferred between family members with the approval of the Committee.

All those comprising the Family Membership must abide by the rules set out in the Memorandum & Articles of Association and the Committee.

Family Membership Entitlements:

Use of the club throughout the year.

Make reserve bookings in accordance with the current Booking Policy as set down by the Committee.

The right to nominate people for new membership.

The Full Member has the right to stand for election to Committee.

Locker & Ski storage allocation.

Persons comprising a Family Membership over 18 years of age may occupy club premises without the Full Member being present
